book

this book documents lines of descent for approximately 200 seventeenth century north american colonists from the famous magna carta sureties of 1215 the book has been compiled for three basic audiences 1 for those who desire a reliable reference work for events and individuals in the colonial and medieval time periods 2 for those interested in their personal family history who seek information regarding their more remote ancestry and 3 to help readers better understand english history from the viewpoint of family dynamics p xix v 1

at the signing of the magna charta twenty five men representing the barons signed as sureties of the baronial performance in effect pledging the barons to fulfill their obligations to the crown in accordance with the terms of the great charter of these twenty five sureties only seventeen have identified descendants each of the seventeen is represented in the celebrated magna carta sureties which traces their connections line by line and generation by generation to approximately 160 american colonists eight years have passed since the publication of the last edition of this work however and in the interval a great many additions corrections and revisions have accumulated brought to a very high standard by the unremitting efforts of its editor walter lee sheppard jr this fifth edition incorporates new lines corrects errors in existing lines adds recently discovered material and supplies references where they had previously been omitted the result is a reliable and authoritative collection of interlocking pedigrees which carry the ancestry of some 160 american colonists back to the thirteenth century with the possible exception of weis s ancestral roots also published by genealogical publishing co this is probably the very best work ever written on the pre colonial ancestry of american colonists

the magna charta or carta is the cornerstone of anglo saxon law since it is the earliest agree between sovereign subject on the rights of both parties what each can do the limitation of powers and the great charter set up watchdogs for both sides 25 men representing the barons the friends of the king who were named in the charter the most useful book about the charter is a 19th cent work by richard thomson an historical essay on the magna carta of king john pub in london in 1828 it includes extensive bio notes on the sureties on those individuals mentioned in the charter or connected with it there are two tables that supply lineage info one on the sureties the other on those persons who appear as friends of the king
