three decades after its first publication the new wave is still considered one of the

fundamental texts on the french film movement of the same name led by filmmakers as influential as truffaut and godard the new wave was a seminal moment in cinematic history and the new wave has been hailed as the most complete book ever written about it the new wave tells the story of the new wave through examinations of five of the most important directors of the era truffaut godard chabrol rohm and rivette with detailed notes and over fifty breathtaking stills the book has appealed both to academics and interested novices alike the thirtieth anniversary edition includes a new afterword by the author praise for the first edition of the new wave the most complete book i know on the five most important directors of the new wave costa gavras at last a book that intelligently and critically examines that remarkable phenomenon known as the new wave not just a book for film buffs it is essential reading for anyone interested in the interrelations between art politics and life in the second half of the twentieth century a remarkable achievement richard rodd founder new york film festival there is a genuine kind of honesty at work in the writing a sense that the author wishes to describe the subject more clearly help the reader and not explain in the pompous sense of the word or criticize for the sake of being superior it is refreshing ted perry museum of modern art

a companion to fran ois truffaut an unprecedented critical tribute to the director who in france wound up becoming the most controversial figure of the new wave he helped found raymond bellour centre national de la recherche scientifique this exciting collection breaks through the widely held critical view that truffaut abandoned the iconoclasm of his early work for an academicism he had consistently railed against in his own film criticism indeed if fever and fire were truffaut's most consistent motifs the essays in this collection live up to his lifelong burning passion for the cinema written by world famous scholars the essays exhaustively explore the themes and styles of the films as well as truffaut's relationships to andr  bazin alfred hitchcock and the directors of the new wave his ground breaking and controversial film criticism and his position in the complex politics of french cultural life from the popular front to 1968 and after angelo restivo georgia state university although the new wave one of the most influential aesthetic revolutions in the history of cinema might not have existed without him fran ois truffaut has largely been ignored by film scholars since his death almost thirty years ago as an innovative theoretician an influential critic and a

celebrated filmmaker truffaut formulated disseminated and illustrated the ideals of the new wave with exceptional energy and distinction yet no book in recent years has focused on truffaut's value and his overall contribution to cinema deserves to be redefined not only to reinstate him in his proper place but to let us rethink how cinema developed during his lifetime in this new companion thirty four original essays by leading film scholars offer new readings of individual films and original perspectives on the filmmaker's background influences and consequence hugely influential around the globe truffaut is assessed by international contributors who delve into the unique quality of his narratives and establish the depth of his distinctively styled work an extended interview with french filmmaker arnaud desplechin tracks truffaut's controversial stature within french cinema and vividly identifies how he thinks and works as a director adding an irreplaceable perspective to this essential volume
